Signature of legal guardian (if any):

Date of filling:

Notes

If the applicant is not a person with full civil capacity, the documents and materials must be co-signed by their legal guardian as well;

2. Except for the items marked “optional”, all other items are mandatory. If left blank, it may result in an invalid application.

Notes: The applicant should also provide the following documents for identification (copies on A4 paper):

1. Natural persons of Chinese nationality are required to submit a copy of their Resident ID Card. Non-Chinese citizens/stateless natural persons are required to submit copies of their passports or other valid identification documents.
2. If the applicant has a legal guardian, a copy of the valid identity document of the legal guardian must also be submitted (as required above).
3. If the applicant is a legal person or other organization, they need to submit their business license, and organizational code (if any), as well as copies of valid identity documents of the legal representative/responsible person and authorized representative.
4. The written text and signature should be clear, accurate, easy to recognize, and error-free. The signature must be personally done by the individual. The signature not done personally, incorrect, unclear, difficult to identify, or ambiguous will affect the application, for which the applicant may be requested to correct, clarify, explain, or redo the signature, otherwise, the application will not be accepted. The consequences of poor communication shall be borne by the applicant.
